LATINA ... DOES IT HURT?
Ah
I

I hate it... I hate it!
shake shake ふるふる
LATINA?
Latina would rather this "Horn" be gone!
I hate this mark, this mark of a "Demon"!
LATINA.
WHAT'S WRONG, LATINA?

Why...
Why?
Why is Latina a "Demon"?

Even though the Demons hated Latina!
Even though Latina can't live with the other Demons!

Even though it was everyone*
*HUMANS

who took care of Latina,

who said that it was okay to stay here,

WHY!

WHY IS IT ONLY LATINA'S TIME THAT'S DIFFERENT!?

Even after everyone's dead
only Latina ...
Latina doesn't want to be the only one left behind ...
